PLAY THAT  
MOVES YOU®

Creating a **community destination**  
space is one of the design goals for  
Horn Park.

When we say **community**, it's  
**everyone in the community**—all ages,  
all backgrounds and all abilities.

 <p><b>FREEDOM SWING</b></p> <p>The Freedom inclusive Swing Seat allows children of all abilities to enjoy the childhood joy of swinging in a safe and secure swing seat created just for them.</p>					
 <p><b>KONNECTION® SWING</b></p> <p>Create connections with Burke's Konnection Swing, an incredible experience that promotes intergenerational play, engagement and interaction</p>					
 <p><b>ANIMAL ROCKERS</b></p> <p>Children will let their imaginations soar while developing balance, coordination, cooperation and core strength.</p>					
 <p><b>NUCLEUS® CORE®</b></p> <p>Nucleus Core is the beginning of an incredible play experience that will keep children moving, discovering and surprising themselves at every turn.</p>					

Our goal is to have a barrier-free poured rubber-base play surface under the entire playground area to ensure accessibility for all and less maintenance costs in the future.

# HORN PARK FUNDRAISING

Seven years ago, the Brillion Optimist Club set a goal to install a playground space at Horn Park. They want the space to be inclusive for individuals of all abilities and provide pieces of equipment that are not elsewhere in the community. Some of these pieces include a zip line, accessible pieces and musical equipment.

The club has raised 50% of their desired goal using funds from their annual Walk Through Brillion event. They are looking for additional funds to help complete their dream. The plan is in place to install the equipment in the spring of 2024.

*Fun for the young at heart too!*

PLAY FOR  
*Everyone*

When you enter the space it's fun and adventure through and through, from multiple slides, ladders and climbers to a 70' zipline, animal rockers, a spinner and inclusive swings for all.

We've also included musical equipment that isn't at any other park in the city to enhance motor skills and creativity for any age! The barrier-free surfacing throughout the playground—as well as new sidewalks—are key to providing *access to everyone, no matter age or physical abilities.*
