## HORN PARK PLAY FOR Everyone

When you enter the space it's fun and adventure through and through, from multiple slides, ladders and climbers to a 120' zipline, animal rockers, a spinner and inclusive swings for all.

We've also included musical equipment that isn't at any other park in the city to enhance motor skills and creativity for any age! The barrier-free surfacing throughout the playground—as well as new sidewalks—are key to providing *access to everyone, no matter age or physical abilities.*

## HORN PARK FUNDRAISING

Seven years ago, the Brillion Optimist Club set a goal to install a playground space at Horn Park. They want the space to be inclusive for individuals of all abilities and provide pieces of equipment that are not elsewhere in the community. Some of these pieces include a zip line, accessible pieces and musical equipment.

The club has raised over 70% of a \$290,000 goal using funds from the annual Walk Through Brillion event and private donations. They are looking for additional funds to help complete their dream.

A plan is in place to install the equipment in the spring of 2024.  
PLEASE CONSIDER SENDING YOUR DONATION BY MAY 15, 2024.
